About Us:

At Families Together Suffolk (FTS) we believe that children and families deserve the best start in life, to have choices and chances to live the best lives they can. We offer support through home visiting volunteers; family groups and workshops and we aim to help families through the barriers that they may face. Our services and projects are dedicated to making a positive difference to the lives of children, families and community.

Purpose of the Role:

As well as fulfilling the duties of a Trustee, the Treasurer maintains an overview of Families Together Suffolk financial affairs. The Treasurer ensures that effective and appropriate financial measures, controls and procedures are put in place and reports to the Board at regular intervals about the financial health of the organisation.

Board members have a collective responsibility. This means that trustees act as a group and not as individuals. As a small charity, there will be times when the trustees will need to be actively involved beyond board meetings. This may involve scrutinising board papers, leading discussions, focusing on key issues, providing advice and guidance on new initiatives, presenting externally, or other issues in which the trustee has special expertise.

The safeguarding of children and adults at risk of harm is the responsibility of everyone at Families Together Suffolk and is central to our charitable objectives.
